

**EYE LIGHTING
INTERNATIONAL**

EYE Lighting International of North America, Inc.

Our Parent Company: Founded in 1944 and headquartered in Tokyo, Japan, Iwasaki Electric Co. Ltd, is a global leader in lighting products and industrial equipment --- specializing in lamps, luminaires and specialty optics for the commercial/retail, industrial, roadway, infrastructure, horticulture, and automotive and solar materials testing markets. The company prides itself on its unique technology, products and systems, and is focused on leading-edge light technologies centered around HID lamps and LEDs.

2010 Revenue: ¥52.4 Billion worldwide (approx. US\$650 Million)

EYE Lighting International of North America, Inc.: Located east of Cleveland, Ohio, EYE Lighting International is the U.S. division of Iwasaki Electric of Japan. Locally, “EYE Lighting” designs and manufactures high performance lamps, luminaries and lighting-related products, and has earned a reputation for developing superior lighting technology and custom solutions for its customer base. The company serves the major commercial/retail, industrial, utility and specialty application lighting markets in North and South America.

Our Principles: EYE Lighting subscribes to four operating principles:

Customer Centric: *We place the customer at the center-point of our business*

Process Improvement: *We strive to continuously improve all our processes*

Financial Focus: *We focus on financial metrics to sustain our company growth*

Talent Development: *We develop and enhance the skill-set of our employees*

Our Quality Process: Driven by the tradition of quality prescribed by its parent company, EYE Lighting nurtures a culture of quality throughout the organization. The US Company has three ISO certifications and one ISO accreditation.

ISO 9001:2008 Quality Management Systems

ISO 14001:2004 Environmental Management

OHSAS 18001:2007 Occupational Health and Safety Information

ISO 17025: 2005 Laboratory Test and Measurement Accreditation

In addition to compliance to ISO Standards, EYE Lighting is also approved to carry out various test procedures in accordance with CIE, ANSI and IES..., particularly IES LM-79 Electrical and Photometric Measurements of Solid-State [LED] Lighting Products.
